Dear Mr. Zach,

The Ministry of Justice, insolvency department and of court experts, received your complaint dated 23. 12. 2020 regarding delays in a misdemeanor process conducted by our authority against the accused JUDr. Michal Krejčí, office Pod Hájkem 2246, 153 00 Praha, ID No.: 14997096, file no. 1/2020-OINS-SRIS, and delays in the insolvency proceeding conducted by the Regional Court in Prague, file no. KSPH 77 INS 15271/2011.

With regard to your complaint about delays in the misdemeanor proceedings, please accept our sincere apology for the delay in processing the matter, which was caused by the recent workload of this office. I would also like to assure you that following personnel changes in the insolvency department, delays in processed matters are gradually being eliminated—as you have surely noticed also in the aforementioned misdemeanor case, where current actions are directly leading to the issuance of a decision.

As for your complaint concerning delays in the insolvency proceedings, file no. KSPH 77 INS 15271/2011, please be informed that your complaint in this part has been forwarded for direct resolution to the competent department of the Ministry (Department of Supervision and Disciplinary Agenda).

Sincerely and cordially

Mgr. Jan Benýšek

Department Deputy Director

insolvency and court experts dept.

Mgr. Jan Benýšek

Ministry of Justice of the Czech Republic
